Your board has declared dividends of 0.25% for March 2024

Your Credit Union needs you! We are looking for a new Board Member. If you like to get involved and help make decisions please consider applying to be on the board. We meet app. 8 times per year currently for approximately ½ hour to an hour.

Our office has been BUSY! We appreciate your patience with us. If you need us, please email, call, or stop by. Feel free to leave a message with specifics about what you want and we will help you as quickly as we can.

Dormancy fees will be charged to accounts with no activity for the past year every June. Please either make a deposit or withdrawal at least once a year to keep from getting a fee of \$10.00. After 3 years of dormancy, we are required to send the funds from a dormant account to the State Unclaimed Property Division. We'd really like for you to keep your own money.

Enjoy your summer! Be safe!

Let us know if there is anything we can do for you!
